

Now or Never

Families everywhere including Atlanta need your help! 20% of children in Metro Atlanta live in poverty. 12% of Senior citizens live in poverty. The state minimum wage in Georgia is only \$5.25 per hour. Families all over are hurting and you can make a difference!

We are all aware of the state of the economy and the affect it is having on families in Metro Atlanta.

The need is so much greater with people losing their jobs, struggling with mortgage payments and meeting life's basic demands
